

## 2012-13 Marion School District Goals

In order to set the direction for the school district during the 2012-2013 school year, The Marion School District will take the following actions:

1. Implement the AdvancEd school improvement process to enhance the curriculum at all levels of the district.
2. Use all district resources effectively and efficiently to the maximum benefit of its students.
3. Actively involve parents in promoting high expectations, strong values, and morals in a supportive home environment that results in positive student learning.
4. Continue to develop an aligned curriculum using the Common Core State Standards, focusing on well-defined achievement goals to sustain a proficient rate with the State of South Dakota.
5. Encourage supportive community dedication to the achievement of our district and enhance the effective communication between the school and community.
