Candidate Questions:

Directions: Please answer the questions below as best you can. The space provided should be adequate. If more space is needed, please attach additional pages.

1. What do you want to accomplish as a teacher?

2. How will (do) you go about finding about students' attitudes and feelings about your class?

3. An experienced teacher offers the following advice: "When you are teaching be sure to command the respect of your students immediately and all will go well." How do you feel about this statement?

4. A parent comes to you and complains that what you are teaching his child is irrelevant to the child's needs. How would you respond?

5. What do you think will (does) provide you the greatest pleasure in teaching?

6. How do you go about finding out what your students are good at?

7. Do you like to teach with an overall plan in mind for the year, or would you rather just teach some interesting things and let the process determine the results? Explain your position.

8. A student is doing poorly in class. You talk to her, and she tells you that she considers you to be the poorest teacher she has ever met. What would you do?

How did you learn about the open position(s) with the Marion School District?
