

MARION SCHOOL ASBESTOS NOTICE

The Marion School District has on file a complete and updated Management Plan for dealing with asbestos-containing building materials within the school district's buildings. The Management Plan is available for viewing by interested parties Monday through Friday, 8:00 am through 4:30 pm in the Administrative Office at the Marion School located at 100 S. Cedar Street. Copies will be available for 10 cents per page within five days of written request.

From this date of notification, you will be informed at least annually about the availability of the Management Plan.

The asbestos-containing building materials are required to be kept under surveillance. The semi-annual surveillances will be conducted by our trained personnel. The Marion School District is required to be reinspected by an accredited inspector every 3 years. The next inspection is scheduled for August, 2015.
