<b>PERSONNEL POLICIES</b>	

## **HEALTH**

### **EMPLOYEE HEALTH**

The School Board recognizes its responsibility to provide a safe and healthy working environment for its employees. When working together in a school, employees may be exposed to a variety of communicable diseases, which may affect their personal health of fellow employees. The Marion School District will formulate regulations for communicable disease reporting and exclusion from work and regulations to eliminate or minimize employee occupational exposure to blood and other disease transmitting sources.
