School Supply List 2019-20

Following is a list of school supplies students will need for the coming school year. **Please put your child's name on everything.**

When purchasing **PE shoes** please remember to do the following:

1. Non-marking soles with good grip on the bottom. Smooth soled shoes causes difficulties for running children.
2. No slip-on or zipper shoes (they will not stay on or zipped)
3. Sturdy soles
4. Please check to see if they still fit after Christmas.

Please buy extra so that you can refill your child's supply when they run out. Thank you
